

JEFFERSON

CREATIVE CAMPUS

5870-5890 Jefferson Blvd
Los Angeles, CA 90016

Work in a new light.

Jefferson Creative Campus brings together flexible workspaces, expansive courtyards, and modern amenities to create an environment shaped by connection and everyday ease of use.

Thoughtful updates introduce more light, greenery, and places to move, gather, and recharge. It is a campus designed for how people work today, where teams connect, ideas take shape, and the workday feels more inspired.

A setting that inspires.

Where the Outdoors Elevates the Everyday

Lush landscaping, flexible seating, and event-ready areas create vibrant open-air spaces that encourage connection.

Spaces that Adapt

Historic bow-truss ceilings crown interiors designed to flex with changing needs.

Easy Access

Minutes from the Jefferson Metro stop with quick connections to the 405 and 10, creating a streamlined commute.

In the Center of It All

Steps from Culver City, Hayden Tract, Baldwin Hills, and the outdoor Culver Steps, the neighborhood brings culture, energy, and possibility to the forefront.

A campus elevated by vision.

Jefferson Creative Campus is entering a new chapter. The property is being renewed with fresh energy, blending local expertise, institutional perspective, and a bold design vision to shape a campus built for the way people work today.

Where the campus comes to life.

At the heart of the campus, Jackson Café is surrounded by open-air seating and outdoor spaces designed for gathering, relaxing, and connecting.

By the numbers.
